

WORLD OF RADIO #1115, produced January 23, 2002 by Glenn Hauser

*Standard disclaimer

*New edition of my other program Continent of Media, 02-01, is now available at <http://www.DXing.com> and via <http://www.worldofradio.com/audiomid.html>

*COM also starts airing Jan 25th at 1900 on RFPI, plus many repeats

*WWCR-1 resuming 9475 at hours affecting us, Fri 1030, and for Mundo Radial Fri at 2215, already back on 9475, ex-3210

*SW Radio Africa having quite an impact on the Zimbabwe establishment

*Malawi back on SW, heard on 7 MHz band

*Radio Okapi, UN station for the Congo DR, now plans to start by Feb; lava forces Goma station to move to Bukavu

*Burkina Faso heard again on SW, this time on old frequency

*Radio Gulf, Papua New Guinea, back after 19 months

*Wave-length on CRI domestic service rescheduled 24 hours later, no longer conflicting with WOR; next 3 weeks interviews Tom Meijer of R. Netherlands Happy Station; webcast: <http://www.cri.com.cn/english>

*China Radio International heard on two 7.0 MHz hamband frequencies

*Qinghai PBS, China, got one of its own frequencies wrong last week

*China steps up surveillance of Internet users

*All India Radio, Leh station 40% damaged by devastating fire

*Visit to AIR Shillong, the Scotland of the East; schedule

*AIR external service 9 MHz Aligarh frequency wandering

*AIR Kurseong exactly 1.0 kHz off frequency including English news

*January 26 is Republic Day in India, occasion for extended broadcasts also caused by cricket matches vs. England

*No DX reports yet of new Kabul MW frequency; now another one from Mazar-e Sharif

*Kurdish clandestine identified differently by two different DXers; Komala station, or R. Azadi Kurdistana Irana, on reduced carrier USB

*Via suppressed carrier USB, AM, FM, subcarrier, internet, satellite, WOR 1115, wghauser@hotmail.com or P O Box 1684, Enid OK 73702, USA; <http://worldofradio.com> and <http://www.angelfire.com/ok/worldofradio>

*Thanks this time for financial support go to James D. Strader

*Iraqi clandestine from Sa'udi Arabia heard on another 4 MHz semi-harmonic of 9 MHz channel

*IBA board approved a budget removing SW transmission of everything but Hebrew and Arabic; Knesset yet to ratify; see protest addresss at <http://www.israelradio.org> [an unofficial site]

*Besides destroying V. of Palestine MW mast, Israel has now destroyed VOP HQ; see all recent issues of DXLD. Some websites including audio: <http://www.palestine-net.com/news>

<http://www.tmf.net> <http://www.volpfm.com> <http://amwaj.al-carma.com> [last one has not worked for us]

*R. Mayak via Belarus' heard on 90 meter band in Virginia

*R. Ukraine International NAM service missing again due to unpaid electricity bill

- *More on church services from Ireland heard on 27 MHz CB: in DXLDs 2-012, 2-013 and 2-014
- *Iceland heard on an unscheduled 12 MHz frequency
- *Fans of defunct CHUM-1050 Toronto may still hear it via <http://www.1050chum.com>
- *Strange how Canadians are reluctant to use their own domain .ca
- *CFVP Calgary reported off air for a sesquiweek Jan 4-16 [not 14-16 as I said], but may vary 5 kHz when on
- *KNLS Alaska revised schedule effective Jan 27 includes 11 MHz for English, 9 MHz band for all other languages
- *Old Radio RSA interval signal used by WWRB, Tennessee for tests; one was on 15725 on a Sunday, used by WRMI on weekdays; WWRB says they may use other defunct ISes for fun tests. Multi-verification reception certificate promised, not just a QSL card, for reports to Box 7, Manchester, TN 37349
- *KKWY, 1630, Wyoming now getting out with improved equipment, a rare state for many
- *WSM reprieve may be its last chance; will not be easy to become profitable; ``the next attack will be fatal``
- *Three countries getting TV into North America; Kurdistan Democratic Party also via <http://www.kurdistantv.net>
- *NTV Mir, Russia, plans TV to NAm, Europe, Israel, but how?
- *Romanian TV gets digital 2-way link to embassy in Washington, which somehow will allow Romanian TV to be seen throughout the US
- *R. Villa, Dominican Republic, heard on 2 MHz band sesquiharmonic
- *Cristal Internacional, DR on 5 MHz, wants reports to Apartado Postal 894, Santo Domingo or cristalinternacional@hotmail.com
- *R. Sonaguera, Honduras, heard on 2 MHz harmonic
- *GBC, Guyana, 3 MHz band a multicultural favorite
- *HCJB terminating its French service at end of B-01 season
- *LRA15, R. Nacional, Tucuman, Argentina, confirmed on 2 MHz harmonic
- *Propagation outlook from Boulder Jan 22: flux range 235-195-230
- *Glenn Hauser, here, concluding WOR 1115 and inviting you to hear me again, next week
